ABOUT THE SCHOLARSHIP

The Dallas Society of Visual Communications (DSVC) is a professional non-profit organization whose membership represents the best of this country's design, advertising, photography and illustration talent. Also represented as members are the top printers, paper companies and others associated with the visual arts industry. As a group, the DSVC has a 53-year history of elevating the standards of visual communication and promoting its importance to business and the community at large. We provide an important bridge between colleges and the professional world by providing scholarships, internship programs and job referrals. We also sponsor an annual national creative competition, awards show and job fair for college students.

Our industry in general is very misunderstood and many people within the visual arts "stumbled" into it after forming an interest in fine arts. Parents may even discourage talented students from continuing in visual arts because they are unfamiliar with the many career possibilities. The DSVC wants to help assist talented students who wish to pursue a career in the visual arts industry. The D.C. Stipp Memorial Scholarship Fund provides scholarships to high school senior students who would like to take the next step to a visual arts career. Scholarship criteria and application are attached for teachers to photocopy and distribute to their students. **Applications Are Due by Monday, May 9, 2011!**

CRITERIA

The D.C. Stipp Memorial Scholarship is awarded to graduating senior students in area high schools. To qualify the student must meet all of the following criteria:

- > Full time student enrolled in a DFW Metroplex high school for the entire year
- > Planning to major or minor in the visual arts field
- > Maintain a minimum of a B or equivalent grade point average
- > Provide samples of student's artwork

Scholarship recipients may attend a university, community college, design school or an accredited art school.

The payment of the scholarship will then be made directly to the school in the student's name.

APPLICATION GUIDELINES

To be considered for The D.C. Stipp Memorial Scholarship, the student must submit the following materials:

1. Completed application and student's academic record verified by a counselor
2. Narrative (See page Application 2 for details)
3. Up to 6 samples of student's work

Samples will not be returned. Please send color photo prints, color laser copies, or 35mm slides (Do not send original art).

Only send a CD or flash drive if the actual sample is a website or Flash movie.

4. One letter of recommendation

From an art teacher or another adult, other than the student's parents or guardian, who can attest to the student's personal attributes.

Please mail the above materials in a standard 9" x 12" envelope to the following address:
